MICHELIN Star Nights

This summer two important chef ambassadors
of Mediterranean cuisine and produce;

Maria José Martínez (MICHELIN Star and one Sol Repsol)
and Santi Taura (MICHELIN Star and two Sol Repsol) accompanied
our chef Óscar Molina (MICHELIN Star and two Sol Repsol) and
his team in two unique events creating a sophisticated and
creative menu inspired by the Mediterranean Sea and its richness.

Excited to continue celebrating gastronomic nights in Ibiza,
next summer 2025 we are committed to continue hosting great
personalities of national and international gastronomy.
