MICHELIN Star Nights

This summer two important chef ambassadors of Mediterranean cuisine and produce; Andreu Genestra (MICHELIN Star and MICHELIN Green Star) and Pablo González (Two MICHELIN Stars) accompanied our chef Óscar Molina (MICHELIN Star) and his team in two unique events creating a sophisticated and creative menu inspired by the Mediterranean Sea and its richness.

Excited to continue celebrating gastronomic nights in Ibiza, next summer 2024 we are committed to continue hosting great personalities of national and international gastronomy.
